

LOW-COST AND FREE SPAY/NEUTER WORKS!!

To prevent the euthanasia of healthy and treatable cats in Northern Kentucky, we've been providing free monthly transports, surgery specials to cat owners, and free spay/neuter and vaccines to community cats in those counties for several years. Since late 2016, owned cat surgery and vaccines have also been FREE to those residents.

Just look at the HUGE impact those free and low-cost surgeries have made in the Kenton County cat euthanasia and save rates!! The other Northern Kentucky county shelters are experiencing similar success.

It proves just how much financial assistance for spay/neuter is needed and is critical to help save more animals. Thank **YOU** for supporting us so we can provide low-cost and free surgeries!!!
